

Hello and Welcome back from Cheam Elementary PAC!

PAC would like to welcome both new and returning families to Cheam! We know 2019 will be an exciting year for everyone. Our first event will be our annual Welcome BBQ, scheduled for September 20 – Save the Date! Details will be sent home with your child shortly.

PAC stands for Parent Advisory Council, and as such, we are your representatives and liaison to the school and district. We hope you will come out to our meetings, share your ideas, volunteer with us, and stay up to date with all the PAC programs, activities and events. To help you stay up to date, we will send out weekly emails (**please fill the form below**) and will update our Facebook page. Please join us there: search “Cheam Elementary” in Facebook or go to <https://www.facebook.com/groups/cheamelementary/>.

The form below gives the Cheam Elementary PAC permission to email you so that we can provide you with updates about special events, programs, fundraisers and meetings throughout the rest of the year. Email is by far the fastest, most labor-saving and environmentally-conscious way for us to communicate with families.

Our first PAC meeting of the year will be held Tuesday September 11th at 7:00pm, in the Cheam Elementary library. We hope to see you there!

You can contact us, with any questions, at: cheam-pac@sd33.bc.ca

If you wish to provide us with your email address, please complete the bottom of this form **and send it back to school with your child.**

() I give PAC permission to contact me as needed.

Parent Name: _____

Please print **clearly**
E-mail Address: _____
