### 3.1 Principal's Report

Regarding the new mask mandate:

Grades 4 and 5 need to wear masks while at school. Students aren't too happy about it, but they are figuring it out.

Teachers aren't pressuring the students and trying to get other students to not pressure other students for not wearing them or wearing them wrong.

**\*\*ATTENTION\*\***

Cheam Elementary is asking parents and caregivers to wear a mask on school grounds. If you can't/don't wear a mask, then please be mindful of your surroundings and please Stay back from others.
