

Cheam Elementary Super Reader Home Reading Program 2021-2022

Welcome back to another school year and welcome to all our new Kindergarten students! My name is Katie Sarrazin and I am the librarian at Cheam. This year, we are running a home reading program that is aimed at getting kids to read (or be read to) every night. As an incentive to get the reading done, students will receive prizes from me once they hit 50, 100, and 250 nights. If you read every night of the school year, you're guaranteed to receive all the prizes.

Below are the slips that can be returned to the library once your child hits 50, 100, or 250 nights. Simply print the whole page and keep it handy for the year, or email me at Katelyn_sarrazin@sd33.bc.ca once your child reaches each goal. In addition, there is a calendar for you to use to check off each night that your child reads, but that is simply for your record keeping. If at any time you have any questions, feel free to email me. 😊
