Eat and Greet

Now that school is back in session and the kids all know who their teacher will be for the year, it's time to welcome you all in to meet them and to see what your child's 'home away from home' looks like. You are all invited to our annual 'Eat and Greet' on *Wednesday, September 20th from 4:00-7:00 pm.*

As we make preparations to welcome you all to our 'Eat and Greet' event, I'd like to explain what you can expect. This will predominantly be an outdoor event, a chance to mingle and meet with each other and our staff. Your PAC has organized two food trucks to be on site- *La Poutinerie and Guerilla Q.* We will not have tables and chairs set up, so we invite you to bring a blanket and chairs to enjoy a picnic on the field.

You will have an opportunity to take a tour inside the main school building and portable classrooms, but we ask that you be mindful as many of our rooms will already have been cleaned and sanitized, safe and ready for your kids the next morning. Not all of the teachers will necessarily be available for the entire 3-hour event. You will hear from your child's teacher to clarify when they will be on site. Even if they aren't here when you are, you are still welcome to check out your child's classroom.

We will have hand sanitizer available, but you may also use our handwashing station if you prefer soap and water. The washrooms up by the office will be open for students, and the staff washrooms will be open for adults.

Thanks in advance for joining us on September 20th.

Mr. I. Gardner
