Terry Fox National School Run

On Monday, September 14th, an ambassador from the Terry Fox Foundation addressed our students in a virtual presentation, helping to kick off our fundraising campaign, and to get the kids pumped for our school run. We will once again be having our Terry Fox Run down the road at *Leary Integrated Arts and Technology Elementary (and adjacent Walden Park)*. Our goal is to continue to promote awareness of this Canadian hero and for our school community to embrace the worthy cause of donating to cancer research. If we can raise \$2500.00, Mr. Gardner is again offering to do 'something special'. Students can submit suggestions at the office.

- **School Run:** Friday, September 25th (12:30 pm-1:30 pm). Students will be bussed over to Leary IAT. Watch for an email from 'Permission Click'. Families are invited to drive down and join us in running for cancer research.
- **School Fundraising Campaign:** Beginning now and until the end of September, we will be raising money for the Terry Fox Foundation.
 - **There are three ways that you can participate in the fundraiser:**
 - i. Collect pledges. Forms can be downloaded from <https://www.terryfox.org/schoolrun/students/> (scroll down the page for full details). Complete and send back to school by Thursday, October 1st. Our school code is BC1104.
 - ii. Send money to school with your child up until Thursday, October 1st (small coins, big coins, paper money, or cheques, payable to the **Terry Fox Foundation**).
 - iii. Pledge <https://terryfoxschoolrun.org/> (Click 'Donate to a School' and search *Cheam Elementary*).
